

Jaycees Potato Bowl USA Parade Rules of Entry

1. Due to the length of the parade, a limited number of units will be accepted on a "first come, first served" basis. So, watch the parade entry deadlines. This year there is an early bird registration date and payment amount. **NO entries will be accepted if postmarked/received 10 days prior to the parade date.** The deadline WILL be enforced because we need to assign places and send letters out to the participants.
2. Dignitaries who are Political Candidates running for office or re-election may campaign during the parade. You may pass out literature. You are expected to provide your own transportation and signs. If you are not able to, please let us know 3 weeks prior to the parade so we can try to find a vehicle. YOU MUST FOLLOW ALL THE PARADE GUIDELINES.
3. All units, including commercial trucks, should display a Potato or UND Football Theme in some manner, except for bands and dignitaries.
4. Grand Forks Public Law 9-8211: Prohibits the throwing of candy or throwing out literature from the parade vehicle. You may not walk from the crowd to and from the parade vehicle. (This could cause accidents.)

*** You may, however, walk along the parade route into the crowd and hand out candy or literature, provided that you have gained proper permission from the parade committee.

*** If you run out of candy or literature, plan to have someone placed along the route (that you can safely access) to get more handouts. Remember, you may not walk back to the parade vehicle to get more supplies.

5. Fees for the parade are the following:

Early bird registrations are due September 15th.

Commercial \$75.00	Political Candidate \$75.00
Non profit/Schools/Bands \$15.00	Vehicle \$0.00

After early bird, registrations are due October 1st.

Commercial \$100.00	Political Candidate \$100.00
Non profit/Schools/Bands \$25.00	Vehicle \$10.00
